Glass Orange Spritz

Aperitifs

Description:

Temperatures are rising, and it's the perfect time to cool off with a delicious aperitif. Nothing beats a spritz: a little sweet, a little bitter, ideal for any occasion. With our spritz, your gatherings with family and friends will be unforgettable. Warning: it's delicious, charming, and absolutely irresistible!

Data Sheet:

Varieties: White grapes.

Origin: Spain.

Vinification: Prefermentative maceration. Obtention of the free run juice by pressing at low pressure. Static must clarification and alcoholic fermentation in a stainless steel tank at a controlled temperature. Flavored with classic aperitive aromas.
